Kia ora koutou

The Minister has accepted the invitation to attend the Board meeting tomorrow. He'll be attending for 30 minutes starting at 3:45pm. We're just confirming whether he will be attending in person or via Teams.

This session is a really great opportunity to welcome the Minister into his new role early in the piece (and hot on the heels of attending his first COP), as well as an opportunity for Commissioners and the Minister to get to know each other.

Ngā mihi
