1	There are people within hapū and iwi that aren't really for looking after the land and mitigating climate change impacts, so when you say building relationships with local iwi and hapū its about linking with the right people. Im fairfall that some hapū 'leaders' dont actually do what is best for their people or whenua but are the ones that get to make the decisions which is wrong.	3/15/2021 12:00 PM
2	don't consult - engage mana to mana listen	3/15/2021 9:59 AM
