Tēnā koe Privacy

This letter is a response to your Official Information Act (OIA) request received by the Commission on 5 August 2021. You requested the following:

“...submissions excluded from the original request (and from your proactive release).”

On 2 September 2021 the Commission wrote to you advising that we had extended the timeframe for responding to your request due to the consultations required, and as it required the processing of a large quantity of information.

There are 269 submissions within scope of your request. We have now published 268 of these remaining submissions on our website. Links to these submissions can be found in Annex 1. As this information is now publicly available, I am technically refusing your request for this information under section 18(d) of the OIA.

Please note, some information has been withheld from these submissions under section 9(2)(a) of the OIA in order to protect the privacy of natural persons.

There is one submission within scope of your request that I am withholding in full under section 9(2)(ba)(i) of the OIA. This ground relates to information that is subject to an obligation of confidence. For context, the individual concerned advised the Commission that they would not be making their submission if there was a possibility it would be released publicly. In this case the public interest in the release of this submission does not outweigh the grounds for withholding.

As you are aware, the Commission received over 15,000 submissions. From the outset of the submissions process the Commission intended to publish all submissions in a progressive release. The Commission released all but 269 submissions under an earlier OIA request. The remaining 269 submissions were not released at that time, as that OIA requestor excluded from their request submissions where people had not given consent for their submission to be published.

Aside from the one submission withheld under section 9(2)(ba)(i) of the OIA, all submissions are now publicly available on our website.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
