[UNCLASSIFIED]

Kia ora Sim,

How are you? As you can see I'm now at He Pou a Rangi (Climate Change Commission) and am looking at how we build our cultural capability. I thought of the Wall Walk we did at Police and wondered whether this is something that could be useful for us either as is or adapted. Is it possible to catch up for coffee sometime and talk more about this please?

I look forward to hearing from you! Thanks
Sharon
